Subject: Re: Completion of SVEC Corrective Action Plan

Attached please find the revised notice of completion of the Corrective Action Plan for Sky Valley Education Center. I am not re-sending the twenty attachments containing the lab results and chain of custody documents. Those are all still valid and appropriate. I am therefore simply adding the two new documents related to the re-testing of the PCB wipe test results that previously exceeded 10 ug/100 cm².

Respectfully,

John Mannix
